11

These specs and policies explain how to create great advertising experiences for our customers on Zalando's own inventory as well as on our premium audience extension network. Therefore we ask you and your agency partners to review all advertising creatives with the following creative guidelines and technical specification in mind before submitting them for approval.

All advertising content must be appropriate for a general audience and must comply with all laws and rules and regulations that apply to the advertiser, the advertising content, and any location where the advertisements may appear.

HOMEPAGE TEASER

Desktop Resolution
1200 × 675 px

Mobile Resolution
640 × 360 px

Format
JPEG

File Size
Max. 200 kb

Text elements on the right shouldn't be part of the image. They will be added afterwards. Please provide your brand claim or campaign slogan with a maximum of 28 characters.

HOMEPAGE TEASER

TEXT ON THE RIGHT

Please send us your campaign or brand related text with max. 28 characters

CALL TO ACTION 13

Please do not use more than 20 characters for the CTA.

COLOR FILL

Do not use a white background. It must be brighter than #f3f3f3

LOGO POSITION

Positioning is flexible but should not touch the edges

A CTA is added by ZMS, but it can be customized if needed. In this case should be provided for all relevant countries / languages and be max. 24 characters.

PRODUCT FOCUS

The creatives must be product focused.
The products must match its category

IMAGE CROPPING

Ensure that models are on roughly the same height so they aren't cropped off strangely.

USE ONE MAIN MOTIVE

Don't use split image compositions.
A product photo from the catalogue can be added alongside to the motive.

LOGO POSITION

Positioning is flexible but should not touch the edges

DEFINED EDGE

Background should be no brighter than #f3f3f3 to ensure minimum contrast.
No additional borders needed.

PRODUCT AVAILABILITY

Promoted product must be available on target page

USE ONE MAIN MOTIVE

Don't use split image compositions.
A product photo from the catalogue can be added alongside to the motive.

LOGO SIZE

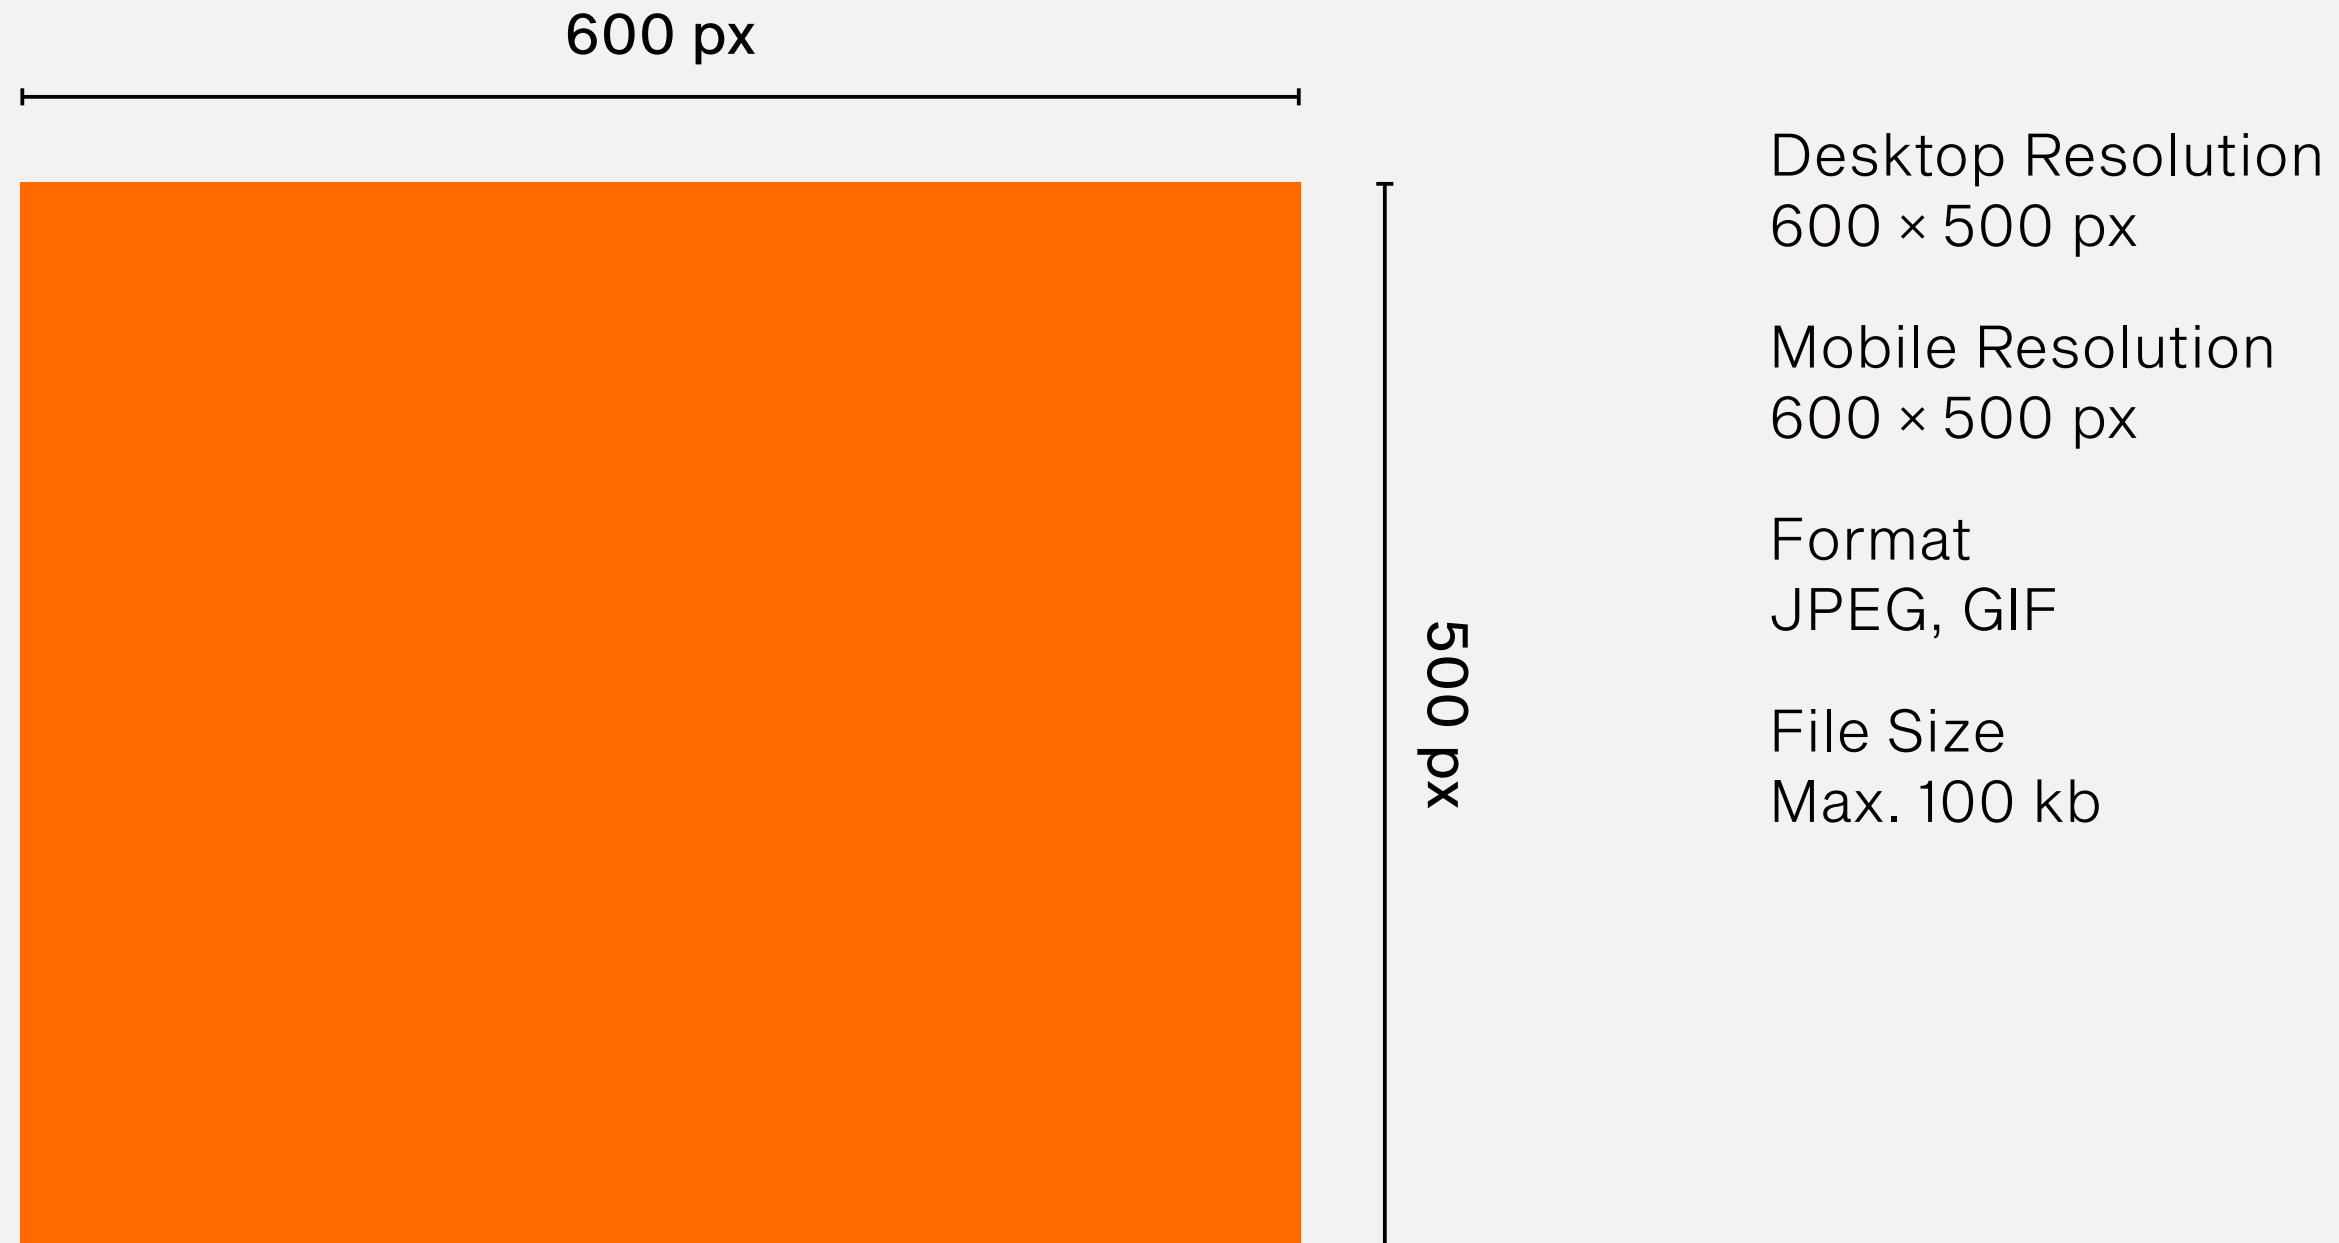

Between a third / quarter of the banner's height

APPROVED THIRD PARTY AD SERVER

Use of any third party to serve content inside of an advertisement is restricted to approved technologies.

The delivered tracker/creatives may not include DMP tags and/or audience management pixel. We will check all tags before, after and during the campaign several times. Impression and click tracking is supported for link out and link in campaigns.

The table on the next page is a comprehensive list of all currently approved technologies for ad serving, creative hosting, and similar services.
